IOT Smart Homes Landing Page

AeSmart harvesting wireless technology for self-powered wireless switches, sensors and controls the state of the art way to home automation and energy saving

The landing page features a header with the AeSmart logo and navigation links: Home, Features, Services, Pricing, Contact, and Get Started. Below the header is a sub-header: "AeSmart makes the Home smarter" and a sub-sub-header: "AeSmart harvesting wireless technology for self-powered wireless switches, sensors and controls the state of the art way to home automation and energy saving". The main content area displays a dashboard titled "IOT Smart Home" showing various room temperatures (Bedroom: 68°, Living Room: 73°, Kitchen: 85°, Office: 56°, Kids Room: 60°, Master Bedroom: 40°) and a map of the "Ground Floor IOT System" with room icons and temperature controls. A large circular gauge indicates "Heater On" with a value of 80°. To the right, there's a sidebar with system controls for "SYSTEM", "FAN", "COOL", "HEAT", "AUTO MODE", and a power button.
